

KINGSWELLS PARISH CHURCH

The Rev Laurene Lafontaine and Members of the Kirk Session warmly invite you and yours to join them on

Sunday 5 September at 11.00 am

for our first service back of in-person worship following the lifting of most Covid restrictions.

The Church Buildings are now open, and Sunday weekly worship will resume at the usual time of 11.00 am.

To continue to act safely, you will be required to wear a face covering throughout the service. You will be asked to provide your details for Track and Trace purposes when you arrive at the church door. An area in the sanctuary will be set aside for those who wish to maintain a safe one-meter distance from others.
